## ❄️ How's The Remedial English Class Going?

A remedial English class, “Yarinaoshi Eigo Juku” has been held since November.

This remedial English class was planned for students who want to learn basic English grammars again. About 15 students have been taking this class. In the class, a Japanese teacher has guided students on how they keep up their English study. This is a message from a student in this class.

### Message from a student

Before I had often made mistake English grammar, for example the tense, sentence pattern and so on. So I thought I have to brush up the basic grammar. Yarinaoshi Eigo Juku really fits to my problem. I could improve grammar and more at this course, so I'm very satisfied with it!!

*The EEC is planning more new English learning programs ! Please look forward to them!!*

## ❄️ English Book & DVD Recommendation

In the Student Self-Learning Room, we have over 2,000 English books. Students taking “Integrated English B” class have been reading them for their assignments. Reading English books can help you improve your English. Why don't you read more English books? Book genres in this room are widely arranged as mystery, romance, drama, comedy, classics, horror, and Manga. We hope that you find your favorite, and that reading motivates you to study English as well.

EEC English teachers also advise you to read books. Mr. Samuel Barclay, one of our English teachers, gives us his comment on his favorite book and DVD.

**"Of Mice and Men"**  
Penguin readers level 2  
(yellow label)

**BOOK**

Best friends Lennie and George, different in almost every way, have a dream. The two friends want to buy a piece of land together and start a farm.

However, things do not go smoothly for them. *Of Mice and Men* is a short story with wonderfully crafted characters - it will move you, make you think, and ultimately, change you.

**"Cinderella Man"**  
Cast: Russell Crowe  
Renée Zellweger

**DVD**

At the start of a new year we all dream about the opportunities the next twelve months might bring. What better movie to inspire us to make the most of 2010 than *Cinderella Man*.

It is a true story about a boxer who takes risks, always gets up when he is knocked down, and never gives up on his dream. Did he win? You'll just have to watch the movie to find out!

We plan to order about 200 new titles of English books and DVDs this spring.

Enjoy winter season with your favorite books!!

## ❄️ Kogyo Eiken in May 2010

Kogyo Eiken is an examination to evaluate engineering English skills backed by the government.

In November, nine students took this test at Ehime University. Some of them passed and got a certificate. If you are ready for job-hunting in the field of engineering, the certificate of this test will be useful for you.

- 3<sup>rd</sup> grade: Univ. students level (Science/Engineer) (style: multiple-choice test)
- 2<sup>nd</sup> grade : practical level (style: written test)

A teacher who has the know-how and knowledge of this test could be able to offer some classes to prepare for it and give some advice.

**Test schedule in 2010 : May and November**  
(If 10 students gathered, the test would be held at Ehime Univ.)

If you are interested in, please come to the EEC office!

## ❄️ Good Bye ! Ehime University ☺

 **Adrian Heinel** 

**Thank You !** 

It's time to say goodbye. It's amazing how fast three years flies by when you are doing something that you enjoy with people that you like.

In March I will move to Shizuoka prefecture. I'm going to miss many of the staff and students, and am sad that I won't be able to meet everyone easily living so far away.

On the other hand, I'm extremely thankful for the relationships I've made here and everything I've learned from my co-workers and students.

For anyone who would like to keep in touch, please feel free to send me an email anytime at [aheinel@gmail.com](mailto:aheinel@gmail.com).

It's been great! Take it easy, and have a nice day.

Adrian Heinel
